BAPTISMS

Baptism is the sacrament through which we become members of Christ's Body, the Church. Our Lord commanded His Apostles to baptise those who accepted their teachings about His death and resurrection and He told them to bring their children to Him.

Our Christian name should be a continual reminder that we are sons and daughters of God, Our Heavenly Father.

Those who actually name the child are the godparents, usually two godfathers and one godmother for a boy and two godmothers and one godfather for a girl. Those chosen to be godparents should be people who can keep a promise for they must make three solemn promises for their godchild:

- 1 To renounce what is wrong
- 2 To accept the teachings of the Church
- 3 To obey the Ten Commandments.

There is no fee for a Baptism, however, those who desire to make an offering may place it on the plate provided.
